## EXPERIENCE

**Server**

2017 – 2020

**Landry's**

New York, NY

Served high end mexican cuisine, meeting the needs and expectations of a wide variety of local and touring guests.

- Cultivated trusting relationships with guests, resulting in significant increase of repeat business.
- Demonstrated swift and need based solutions to prioritized client issues.
- Leveraged in depth product knowledge to provide personalized and enjoyable experience to guests, while exceeding sales expectations.

**Server**

2016 – 2017

**LeBlanc + Smith**

New Orleans, LA

Offered guided dining and educational experiences to guests looking to fully engage in New Orleans culture and cuisine.

- Exceeded expectations as a Food Runner, resulting in a promotion to Server within 3 months of employment.
- Implemented responsible alcohol service protocols, ensuring community and guest safety during Mardi Gras and other high volume periods.
- Volunteered at local disaster relief events, which heightened community outreach and brand visibility.

**Licensed Insurance Agent**

2015 – 2017

**US Health Advisors**

New Orleans, LA

Provided customized and comprehensive Health Insurance to Louisiana residents, at affordable rates.

- Designed a structured consumer contact system that transformed cold leads into actualized sales.
- Developed a system of client advocacy, which resulted in over \$30K of additional referral generated sales.
- Employed in-depth product knowledge to design tailor made healthcare packages, saving motivated consumers 30% on coverage, while becoming a top 10 sales agent within the first quarter.

**Notifications / Field Assistant**

2010 – 2015

**FilmLA Inc**

Los Angeles, CA

Facilitated community awareness, acting as a Liaison between production companies, the City of Los Angeles, and its residents.

- Coordinated onsite parking regulations, throughout the greater Los Angeles Area, providing logistical, emergency-based, support to the Los Angeles Department of Transportation.
- Redesigned company's mapping and notification strategies, decreasing its carbon footprint by 15% in the first year.
- Authored, designed and implemented current training protocols for onboarding staff.

**EDUCATION**

**Certificate in Full Stack Development:** Columbia University, New York, NY

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

**Bachelor or Arts in Drama:** Prairie View A&M University, Prairie View, TX
